LOGNOTE - Chief, Operations Group, 21 March 1986

1. [] Following is from today's staff meeting held by
AD/FBIS:

25X1

- The office has received the final IG report, including comments made by the DDS&T and the DDCI. AD/FBIS said he would be forming an action plan with the group chiefs to respond to the recommendations.
- AD/FBIS reported that last week's off-site meeting of DS&T office heads focussed on FY-88 funds and various reduction exercises.
- DDCI designate Bob Gates is making his calls on the Hill. Confirmation hearings are scheduled for early April.
- It was reported that D/Personnel feels that the Agency's recruitment pipeline is not full enough for the DS&T in general. Early indications are that the pipeline for FBIS recruits is fine.
- There was some discussion on the newly appointed General Manager of the BBC Monitoring Service, [] A full bio is expected soon. He, [] will represent the BBC at the upcoming FBIS-BBC Coordination Meeting in early May.
- Although MOD's contacts in State believe a Roger channel message has gone to the Ambassador in the Philippines supporting FBIS plans for a remote monitoring operation, there still is no confirmation that such a message has been sent. We hope to know for sure next week.
